

Enrollment form Spring camp UNNS 2023 / 2024

First week: Camp on stage!

A show was supposed to take place at school but all the instruments and performers have disappeared: children have a week to replace them so that the show can go on!

- Find instruments hidden around the school and make new ones.
- Choose your role, practice it so that you feel comfortable with it
- Prepare your character, costume, make-up and performance
- Learning to sing and dance on stage with a microphone

These are just some of the exciting challenges awaiting the children at this very first camp, all in music and English, led by Paul and Catherine.

The second week: Camp: exploring nature with Kate!

Nature is waking up and our Nursery School is the perfect place to observe and discover all the wonderful things it has to offer! Children will be immersed in the world of minuscule little creatures and plants in the garden: on the programme for the week: The magic of flowers and plants: colour the watering circuits to see plant petals change colour as if by magic, make your own terrarium, make butterflies grow, create a snail house and an insect hotel, make your own mini vegetable garden to take home, immerse yourself in the story of Jack and the beanstalk, make a wind-measuring station... there will be no more secrets for children about life as high as ladybirds and flowers!

Please note that due to the limited number of places, there is a financial obligation to reserve a place.
